'Freshmen Can't Smoke On Campus,' Says Senate

The Student Senate banned smoking for Freshmen on campus at a meeting September 24 in the J. W. Jones Union.

The only exceptions to the rule are that a Freshman student may be allowed to smoke in his or her room, or in the Bearcat Den.

Erring Freshmen caught smoking in an unauthorized place will have their cigarettes confiscated.

The Senate also passed a resolution allowing hair to be cut during the Freshmen hazing program.

In a motion before the passage of this resolution, Bill Sutter stated, "I move that we allow the 'M' Club members to cut hair in certain extreme cases with the approval of the Student Body President, Don Kixmiller, and the 'M' Club's chairman of initiation, Fred Fuhr."

A constitution reviewing committee was set up to inspect organization constitutions to be presented to the Senate. Martha Gary and Van Price were appointed as permanent members of that committee.

Peggy Humphreys was elected the new treasurer of the Senate, and was appointed to represent the Senate at the homecoming committee meetings as an ex-officio member.

Odis Cates and Mrs. Robert Severson were appointed to a committee to set up rules for the queen contest for next year and submit a list of recommendations to the Senate.

Students Must Display Parking Permits Today

Parking permits (decals) must be displayed on the REAR window of the car, and the car parked in the lot designated by NUMBER (not color) by October 7, 1959. Permits must be installed permanently according to the instruction, not attached with scotch tape or in any other manner.

Failure to display the permit in accordance with these instructions or parking in any other area on the campus is a violation.

For any failure to register the car, the fine will be \$5.00.

Announce Den Movies

Due to the occurrence of homecoming in the middle of the month, Den movies have not been scheduled at that time.

The next date scheduled for a showing is October 30. On this date a cinemascope, technicolor movie will be shown. It is entitled "Anastasia" and stars are Ingrid Bergman, Yul Brynner, and Helen Hayes.

"Anastasia" is a fascinating dramatic story of the search for the last surviving member of the Russian imperial family. When the Russian Revolution took place, all members of the imperial family were believed to have been eliminated.

Rumors began to appear that one had escaped. The search for this personage makes a wonderful, colorful film. The film is a 20th Century Fox release. It was voted one of the top ten movies for the year in which it was produced.

'Frosh Must Take Ed. 8,' Says New Clinic Policy

All Freshmen are required to take Ed. 8, a reading course, during the first semester, according to a new policy of the college reading clinic, directed by Ralph F. Cater.

In previous years this course was required only as a remedial course for those who made a poor showing on the college reading entrance examinations.

This semester, half of the Freshmen are taking the course the first six weeks instead of Orientation. At the end of this six week period, the remaining half of the Freshmen class will take the course while the present reading sections will return to their orientation sections.

There are eleven sections, with a total of 299 students, meeting twice a week. The course is also open to any upper classmen. Mr. Cater requests that any persons interested should see him before October 29.

The reading clinic has been moved from the college library

Alpha Sigma Has Informal Party

Phi Phi Chapter of Alpha Sigma Alpha held its informal rush party Tuesday, September 29, from 7 until 9 p.m., in the lounge of the J. W. Jones Student Union.

"Scottish Red and White Castle" was the theme of the event, and the actives were dressed in plaid kilts and hats. The scene was the courtyard of an old Scottish castle.

Decorations consisted of a large red and white castle on one end of the room and a scroll with the song "Red and White Castle" written on it.

Elvyn Robison, over-all rush chairman, was mistress of ceremonies and introduced the active members as Scottish lassies as they stepped from the castle. A humorous skit was presented by Lorene Gould, Judi Deardorff, Judy Frese, Carol Nordby, and Betty Pierce.

Marty Gray and Gaye Laughrey were the courtyard dancers and did a Scottish highlander dance. Evelyn Robison, Carol Gulley, Maryann Gepner, and Ann Porter sang several songs and led everyone in group singing. These girls make up a new quartet for the Alpha Sigs and will be known as the "Alpha-Bets."

Committees for the party were: refreshments, Judy Frese, chairman, Carol Gulley, and Janet Su Cox; decorations, Betty Pierce, chairman, Jean Thompson, Carol Nordby, Marty Gray, Bev Lyle and Carolyn Culver; invitations, Peg Riley, chairman, Janell Miller, Lorene Gould, Jeanne Clark, and Trudi Walker; entertainment, Maryann Gepner; chairman, Ann Porter, Susie Sims, and Thelma Lou Gerdes; clean-up, Jackie Schrooten, chairman, Helen Bahr and Marlene Brown.

Bearcats Drop Ft. Hays For First Win In 12 Starts

The Northwest Missouri State Bearcats were able to gain the winning column for the first time in 12 games with their 13-8 victory over Fort Hays.

Fort Hays drew first blood when they marched from their own 45 to the Bearcats' 6 yard-line. From here Darrell Hildebrand went over center for the TD. The try for extra point failed.

The Bearcats left the field at halftime with a 6-0 gap; however, they were determined to erase it upon returning. The Bearcats took the ball in the third quarter and marched 58 yards only to lose the ball on the 3 because of downs.

With 3:12 left in the third quarter Fulton spotted Mickey Nardin along the side line and let go a 25 yard pass. The pass was deflected by Tiger defenders, but Nardin caught it anyway. After regaining his balance, Mickey started toward the goal and out ran the Tiger tacklers. Jack Taylor kicked the extra point, giving Coach Turner's Bearcats a 7-6 lead.

The Bearcats continued to pressure the Tigers in the final quarter. They forced the Tigers to punt from their own seven. The punt was grabbed by Stewart Cline on the Fort Hays' 38. After receiving a key block from senior guard, Grant Hilburn, he went all the way for another Bearcat TD. The try for extra point failed making the score 13-6.

After moving the ball a few yards the Tigers punted. The punt hit the coffin corner of the Bearcats. With the ball on their 6 and time running out the Bearcats decided to gamble. They allowed Fulton to be tackled in the end zone, thus giving Fort Hays a safety and another two points.

The gamble payed off, because after the Bearcats punted from the 20, Fort Hays was never able to move beyond the 40 yard line of the Bearcats. The game ended in a 13-8 Bearcat victory.

Start Third Round in Inter Tennis Tourney

The third round of the tennis tournament finds the Phi Sigs in the lead totaling 147 points. Sig Tau is second with 82 points compared to TKE's 64.

Weather permitting, tournament play should be completed this week. Rain has postponed many matches and has lengthened the time required to finish the tournament.

A grand record of 100 entries has also lengthened the time required to complete the event.

With five more games to be played in the third round, the field of entries has been eliminated to seven winners. They are: John Kelley, Phi Sig; Christoffer, TKE; Carroll Ray, Sig Tau; H. D. Mitchell, Phi Sig; Steve Moore, Phi Sig; Dick Popp, Phi Sig, and Jim Horton, Phi Sig.

Random Shots . . .

The Maryville Bearcats and the Kirkville Bulldogs remained the only undefeated teams in the conference after last week's games.

Kirkville downed Washburn, 6-0, to continue reign as the only undefeated, untied team in the conference.

Mills, last year's leading ground gainer in the MCAA, helped the Bulldogs considerably in their season opener against St. Joseph and was directly responsible for the 18-16 victory. Mills scored all three of the Kirkville TD's and gained 163 yards in 18 carries for a 9.06 average. Mill's average dropped in last week's game against Washburn to a still impressive 6.93.

Maryville pulled into second place in the MIAA last week with their 13-8 victory over Ft. Hays. In their two previous games the Bearcats were able to grind out 21 first downs, 285 yards rushing, and 99 yards passing; while their opponents were only able to gain 13 first downs, 210 yards rushing, and 24 yards passing. An interesting note on the conference is the fact that Cape Girardeau, the last place team, has compiled the best statistics in the conference.
